Western Powers Study Result Of Molotov Talks

Optimism Over Possible Negotiations To Settle Berlin Crisis Fades Some

NEGOTIATIONS ARE NOT MADE PUBLIC

LONDON, Aug. 10.—(INS)—British Foreign Secretary Bevin today talked with U. S. Ambassador Lewis Douglas to review the secret East-West negotiations in Moscow.

Bevin's special envoy, Frank Roberts, sent to London his report on last night's tripartite ambassadorial meeting with Soviet Foreign Minister Molotov, and this is being studied by London experts on German problems.

Optimism Dimmed

Optimism prevailing last week over the possibility of big four negotiations to settle the Berlin crisis had faded somewhat today.

There is increased feeling, despite the lack of any official information, that the three western powers have been unable to agree with the Soviet on any basis for top-level talks on Germany.

This attitude developed as an aftermath to yesterday's latest meeting of envoys of the United States, Britain and France with Soviet Foreign Minister Molotov.

Diplomatic quarters pondering the session at the Kremlin cited the fact that since last Wednesday there has been no meeting of the so-called Berlin committee of the western allies in London. This group is composed of American Ambassador Lewis Douglas, French Ambassador Rene Massigli and Sir William Strang, British foreign office expert on Germany.

Have Gone Limit

In this connection it is suggested that the western powers have gone as far as they consider they can go to meet any Soviet demands.

There is belief therefore that instructions sent to the western envoys in Moscow relate to basic matters and are not to be altered.

There was no indication from Moscow whether further talks of a preliminary nature are planned with Molotov who called yesterday's meeting.

The belief is that Molotov handed to the westerners his reply

Report German Police Purge In Soviet Zone

By OMER ANDERSON

(I. N. S. Staff Correspondent)

BERLIN, Aug. 10.—The traffic manager of the Russian-controlled economic commission declared today that the rail line from Berlin to western occupation zones remains unusable.

The statement was made by General Traffic Manager Wilhelm Besserer in denying a report attributed to William T. Babcock, American deputy commander in Berlin, that the Berlin-Helmstedt line soon would be ready for resumption of coal shipments.

Said Besserer: "The line now, as before, is unusable."

He added that nothing could be said at present concerning the progress of repair work which the Soviets asserted had to be done before the line could be reopened.

Social Democrats, Christian Democrats and lukewarm Communists followers were said to form the majority of those ousted.

The French-licensed newspaper Kurier in Berlin said the purge includes officials in German provincial governments, the British military government organ Die Welt said scores of police experts were fired.

Secret Police Judge

The Kurier said the Soviet secret police NKVD organization is the final judge of those purged amid growing German opposition to the Russians and their German Communist agents, the social unity party members.

Wilhelm Pleick, veteran German Communist and social unity chairman, was said to be surrounded day and night by armed bodyguards at the Bad Eister health resort.

These purge reports followed official western dispatches that the Russians have made widespread arrests to quell disorders against food shortages in the Soviet zone.

Truck Driver Is Killed In Crash, Helper Injured

BORDENTOWN, N. J., Aug. 10.—(INS)—A truck driver was killed and his helper injured seriously today when two huge tractor-trailer trucks collided three miles south of Bordentown.

Police said William L. Wiscom, 21, of Tampa, Fla., died instantly when his vehicle crashed into a 14-wheel truck loaded with general merchandise.

His companion, still unidentified, was taken to St. Francis hospital, Trenton, where he is in critical condition with multiple injuries.

The operator of the second vehicle, John Layton, 46, of Harrisonburg, Va., was shaken up but not injured.

Inductions In Draft Delayed To October 20

WASHINGTON, Aug. 10.—(INS)
Selective service headquarters indicated today that the first inductions under the new draft law will be delayed at least until Oct. 20.

National draft headquarters announced that it has started sending 10 million questionnaires for the new draftees to state directors. The questionnaires will reach eligible 28-year-old registrants about Sept. 1.

Legal and administrative delay after the questionnaires are distributed to registrants would postpone the earliest possible inductions until October 20.

Draft officials said that there is no assurance that inductions will begin as early as October 20, however. They said the initial inductions will be entirely dependent upon the Army's first call for draftees.

The Army call will be made about 60 days before the men are to be inducted, and Lt. Gen. Willard S. Paul, Army personnel director, indicated the Army would not ask for men immediately.

Rural Highway Fatalities Hit All-Time Low

HARRISBURG, Aug. 10.—(INS)
Rural road fatalities in Pennsylvania hit an all time low during the first seven months of this year, it was reported today by state police headquarters.

At the end of July, 465 deaths occurred on rural highways—a reduction of 30 deaths over a similar period of 1947. Ninety-two fatalities during July was two higher than the same month a year ago, police said.

Other month-by-month fatalities were: January, 44; February, 67; March, 59; April, 49; May, 53; June, 61.

Blackheath is an elevated common in the southeast of London, England. There is a tradition that golf was first played in England then by King James I, and some of his Scottish adherents in 1606. The Roman road to Dover crosses it. It was the scene of several insurrections, and was a noted place for highwaymen.

The Santa Fe Trail was once known as the "Mexican Trace," led from the woodlands of Missouri over the prairies, plain deserts and mountains to the capital of New Mexico.

Herbert Newton Armstrong

Herbert Newton Armstrong, husband of Sue Harvard Armstrong, died at 10:15 p. m. Monday, August 9. Death occurred in his home at 418 Euclid avenue, following a long illness.

Mr. Armstrong was born in New York City, the son of Mr. and Mrs. John Armstrong. As a young man he entered the banking business and for many years was associated with the Corn Exchange National Bank until it was merged with the Irving Trust Company. In 1937 he was made the president of the West Side Savings Bank, serving in that post until 1940 when illness forced his retirement.

There is reason therefore that the preliminaries undertaken after Premier Stalin himself saw the Moscow allies more than a week ago may go on for some time to come without possibility of signing a peace pact which some definite agreement could stem.

MITTLE-SOVEKY

WEDDING IN CHURCH

Before a candle-lit altar in St. Mary's church embanked with palms and ferns, Miss Mary Terese Mittler, daughter of Mr. and Mrs. J. Arthur Mittler, of 621 Summer avenue, became the bride of Thomas V. Sovensky, son of Mr. and Mrs. Stanley Sovensky of Southview avenue, Saturday afternoon at 3 p.m.

A large gathering of friends and relatives attended the open church ceremony, and Rev. Fr. Fr. McCarter officiated at the single-ring service.

Given in marriage by her father, the bride was lovely in a Colonial style gown of white silk marquisette, over taffeta. Her fingertip veil fell from a marquisette and lilies of the valley crown. She carried a Colonial bouquet of white roses, centered with a white orchid, and as her only jewelry she wore a triple strand of pearls, a gift of the bridegroom's. In addition to the traditional something "old something new and something borrowed," she also wore a sixpence in her shoe.

Miss Mayberry has chosen Miss Judith Comessos, sister of the prospective groom, as her maid of honor.

Mr. Comessos has asked Richard Lucciano to serve as best man.

MARIAN HILDEBRAND

MILLER-MANLEY

AFTERNOON WEDDING

In Highland U. P. church on Saturday afternoon, August 7, at 4:30, Miss Giena Frances Miller, daughter of Mr. David Paul Miller, of 800 East Winter avenue, became the bride of Robert G. Manley of New York City, son of Mr. and Mrs. Donald L. Manley of Mt. Lebanon. Dr. D. L. Ferguson officiated at the ceremony in the presence of the immediate families.

The bride wore an aqua crepe dress, matching hat trimmed in aqua ostrich plumes and veil and carried a bouquet of white roses and baby's breath. As the traditional something old, she wore a diamond and pearl lavaliere worn by her mother at her wedding, and for luck, a sixpence in her shoe.

The bride's sister, Miss Helen Miller, of Vandergrift, as maid of honor wore an orchid dress the same style as the bride's with a black straw hat trimmed with orchid flowers and black velvet ribbon and carried an arm bouquet of yellow roses and orchid delphinium.

The groom's father served his son as best man.

Immediately after the ceremony a wedding dinner was served in the private dining room of an inn in New Wilmington.

Mr. and Mrs. Manley left on a short wedding trip after which they will take up residence in New York City where he is distributor for Vitamino Corporation.

Mr. Manley, a graduate of Vandergrift high school and Allegheny college, where she was a member of Kappa Kappa Gamma, prior to her marriage was employed in New Castle. Mr. Manley, a graduate of Mt. Lebanon high school, also attended Allegheny college where he was a member of Phi Delta Theta fraternity.

John Thompson, of New Castle, served as best man and ushers were Charles Carrier and Delbert Haugh, both of Summererville.

As maid of honor, the bride's niece, Miss Rose Blake, wore a gown of yellow taffeta trimmed with a matching hat and mitts. As bridesmaid, another niece, Miss Georgia Ann Blake, wore a gown of orchid taffeta with matching hat and mitts. Both attendants carried colonial bouquets of mixed flowers.

Mr. and Mrs. John Thompson, of New Castle, served as best man and ushers were Charles Carrier and Delbert Haugh, both of Summererville.

After the ceremony the bride's party greeted the 500 guests present and later a wedding dinner was served to the bridal party and members of the immediate families in the American Hotel dining room.

The couple left on a wedding trip to the Thousand Islands in the St. Lawrence river and upon their return will reside in the Methodist parsonage in Ringersburg.

**Girl Scouts Like
Camping, They Say**

Girl Scouts ignore weather, have
Cook-Outs, Swim, And
Heavy Dramatics

Weather at the Lawrence County
Boy Scout Camp on the Slippery
Rock has been as unfavorable to
camp life as it has anywhere else,
but the Girl Scouts, who are holding
fort there, don't seem to mind
in the least.

Camp life has gone on as usual,
with regular camp activities, in-
cluding swimming, handcraft arch-
ery and games.

Camp opened on August 1 and
will close on August 19. A total
of 84 girls are at the camp.

One of the features of camp
life which appeals to the girls
is the "cook-outs" which they have
whenever the weather permits. A
sizzling hamburger on a hot rock
seems to taste better than one
cooked in a pan on a stove.

High Drama

On Thursday evening the camp-
ers were instructed to come to
their meeting place prepared to
present a skit or stunt for each
unit. The older unit, known as
the Rolling Rovers, presented
a tumbling act, special songs and
a novelty musical number, "In the
Evening by the Moonlight" done
by blackface artists using improv-
ised banjos made of tennis
rackets.

The Pine Campers unit had as
their contribution a skit entitled
"Crossing the Railroad Tracks".

Another humorous skit entitled
"The Operation" was presented
by the Windy Hills unit.

Final stunt of the evening was
presented by the Fern Dust unit,
and was entitled "Bill Grogan's
Goat".

The girls then joined in group
singing, and their final song,
"Taps", put them to bed.

**St. Mary's Sodality
Communion Breakfast**

Post Prefect Peg Valley Honored
At Event Held At Cascade
Park After Mass

Members of St. Mary Sodality
attended their regular 8:00 mass
and received Holy Communion in
a body Sunday morning. At
8:30 a. m. all assembled in the
picnic grove at Cascade Park
where a delicious hot breakfast
was served by Kathleen Carlin,
Frances Cunningham, Laura Miller,
Peg O'Leary, Agnes O'Connor
and Ursula Rowbottom.

Nancy Lehman, Prefect, con-
ducted a brief business meeting
following the breakfast. The oc-
casion also marked the farewell
meeting of Peg Valley, editor of the
"Scribe", publicity committee
chairman, and past Prefect. On
behalf of the sodality, Prefect
Lehman extended best wishes and
presented Peg with a lovely gift
from the sodality. Peg will be-
come the bride of John E. Phillip-
son of Steubenville, Ohio, in St.
Mary's church on August 21, 1948.

She will be succeeded by Rita
Logue as publicity committee
chairman in the sodality.

Sunday afternoon, August 28,
members of this sodality will meet
with members from the other so-
dalities of the county at 12:00 noon
in front of St. Joseph's church
for transportation to Stoughton's
beach where the Lawrence County
Union of Sodalities annual outing
will be held.

The next meeting of the sodality
will follow the 8:00 mass at St.
Mary's on September 5, 1948.

**Body Of Pvt. Fresco Vitale Will
Lie In State At Colum-
bus Hall**

It is announced by Mrs. Mary
Iovanella, president, that the
meeting of Columbus Auxiliary,
scheduled for Wednesday evening,
has been postponed until Wednes-
day evening, August 18, when
plans will be made for the annual
picnic.

Reason for postponement is that
the body of Pvt. Fresco Vitale, who
was killed in action in World War
2, in 1944, at Cassino, Italy, was
recently brought back from over-
seas, and taken from DeCarbo
Funeral Home to Columbus Hall,
South Liberty street, this evening,
where it will lay in state, until
time of funeral, Thursday morning,
when services will be con-
ducted at St. Lucy's church at
9:00 o'clock.

Pvt. Vitale is a son of the late
Mr. and Mrs. Patsy Vitale, this
city, and brother of James Vitale,
340 North Cedar street, Nunzio
Vitale, Neshannock avenue, and
Rose Vitale, of 109 South Cedar
street.

Catholic Day At Cascade Park On Wednesday

With the cooperation of the weather man and with indications pointing to a crowd of 30,000 ready to attend, Wednesday Lawrence county's Catholic Day at Cascade park, should prove one of the most successful of outings held this summer.

All plans have long been completed. Details are being arranged at this time. Transportation schedules are ready for the huge crowd to attend the event.

There will be sports and other activities for everyone—both young and old. Prizes will be awarded. This will be a special day for the kiddies—free pop, hot dogs and ice cream! Free rides during the afternoon! Special guests are the members of the Margaret Henry home.

Basket Picnic

The basket picnic will be enjoyed in the grove at noon, and activities have been outlined for the entire day, including a concert by the Red Coat band at 8 p. m., dancing at the Rainbow terrace from 9 to 12 o'clock midnight. A super display of fireworks at 10:30 o'clock.

An added special feature will be a brief speaking program at 7 p. m. with two prominent speakers, Rev. Fr. Patrick Rice of St. Elizabeth's church at Wilcock, Pa. (near Pittsburgh) and Daniel M. Hamill, past president of the Holy Name society (Pittsburgh, Pa.) and Particular Council of St. Vincent dePaul society. Both will give an important message.

Now Tucker Car Seen Here Monday

—New Castle News Photo

As crowds view the new Tucker car as it is put on display in New Castle on Monday.

It took no stretching of the imagination to see that the new, rear engined Tucker automobile has planted another milestone in the automotive industry as crowds gathered to view the epoch making car as it arrived in New Castle Monday. Vehicles lined both sides of Moravia street and tied up traffic at the sleek, streamlined automobile was put on display.

Brought here by the Lawrence Motors, Inc., and displayed in its show window at 1421 Moravia street, the Tucker created interest and excitement throughout the day

as crowds jammed the showroom. Men, women and youngsters alike fired questions at William Agnew, sales manager for the Lawrence Motors, who are dealers for the new car and distributors for the Crosley.

Among the enthusiastic questions about the Tucker were those concerning its radical engineering features. Nearly everyone had to see the engine that is placed over the rear axle and the spacious luggage compartment that has been built under the hood where the motor is on the conventional car.

Many people wanted to know when it is possible for them to get a new Tucker. Officials of the Lawrence Motors have it figured that according to present production rates, the first cars to arrive in New Castle will about October first and the rate will be about 10 per month until the first of the new year.

Representatives of the Lawrence Motors, Inc., who drove the new car to New Castle, were late in arriving. Their explanation for not making better time was that other motorists slowed up traffic and stared wide-eyed at this engineering marvel.

License 'Bikes' Here Friday

Inspection and licensing of bicycles will occur again, commencing at nine a. m. and ending at four p. m. Friday, it was reported today by acting chief of police Willis G. McMullen. He stated that almost 1,500 bicycles have already been licensed but there are some which have not been for unavoidable reasons, such as owners being on vacation or being ill, hence Friday is the deadline, or the last day, excepting for those who buy new bicycles. The inspection and licensing will take place at the East street police garage.

Mrs. Angie Guzzetti and son, Louis, Deano Truconi and Mrs. Angelo Zofferoni are visiting at Chicago, Ill.

All Passports Are Cancelled In Yugoslavia

BELGRADE, Aug. 10.—(INS)—Yugoslav citizens found themselves shut off from travel to the outside world following cancellation of all passports.

In a joint announcement, the ministries of interior and foreign affairs said all passports issued before August 9 had been invalidated.

They said Yugoslav citizens abroad must apply for new passports "in the usual way," and declared that citizens in Yugoslavia could not leave with their old passports.

The action, which affects both diplomatic and ordinary travelers, was linked to the continuing battle between the government of Marshal Tito and Cominform.

Two incidents which appear particularly relevant are the recent defection of the Yugoslav ambassador to Hungary, Radonja Colubovich, and the charges by the Yugoslav government that Soviet agents are trying to recruit Yugoslavs outside the country.

Buyers' Strike On Meat Prices Spreading Fast

(International News Service) A buyers' strike against high meat prices snowballed through the nation today.

Housewives in all sections of the country began boycotting the meat counters in their local stores in an effort to force price reductions.

Meanwhile, in the Madison, Wis., area a group of 55 food markets took the offensive by announcing it would not advertise meat for a week in the hope that it will make the packers recognize the situation and sell meat for lower prices.

The 71-year-old Dallas, Texas, grandmother who started the nationwide uprising by suggesting the boycott said she was getting congratulatory telegrams from all over the country praising her idea.

The woman, Mrs. R. D. Vaughn, said it was too early to determine what effect her campaign was having. But Dallas' insurgent housewives claimed a broad victory after the first day of their no-meat-buying campaign.

Rinascenza Lodge To Meet Sunday

Members of the Rinascenza lodge No. 19 are to attend an important meeting on Sunday, August 15, at 2:30 o'clock in their club rooms, Morton street, president Oddone DeVito has announced.

Reports will be made of the convention held at Reading, Pa., last week. Other matters of importance will be discussed at this time.

STATE LEADS AIRPORT PROGRAM

In the program of airport construction under the federal airport act, the latest available figures show this state is ahead of any other state in Legion 1, which consists of Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia and West Virginia.

Work On Turnpike Extension May Be Started Next Month

HARRISBURG, Aug. 10.—(INS)—Engineering schedules for the eastward extension of the Pennsylvania Turnpike from Middlesex to King of Prussia today called for construction to begin in September.

Completion of financial arrangements for the \$27,000,000 link indicated the Turnpike Commission hoped to complete work late in 1950 and thus have a dream highway extending from King of Prussia, near Norristown to Irwin in the metropolitan Pittsburgh area.

Chairman T. J. Evans announced that an investors' syndicate will offer \$124,000,000 in bonds to the public today.

The offering includes \$27,000,000 to provide new money for the extension plus \$47,000,000 to refund outstanding bonds on the first section opened in 1940 between Middlesex and Irwin.

The new route will begin at Middlesex, near Carlisle, cross the Susquehanna river south of Harrisburg and then sweep into the metropolitan Philadelphia area through the Ephrata foothills.

Gov. James H. Duff anticipates extending the turnpike from Irwin to the Ohio state line in the vicinity of the Youngstown area after completing the King of Prussia-Middlesex link.

The north Pacific halibut is an example of a resource which, after undergoing extreme depletion, was restored through careful study and regulation. Intensive fishery between 1910 and 1930 depleted stocks of the fish alarmingly. Since 1930, management of the fishery by the United States and Canada, under mutual agreement, has increased the abundance and stabilized the fishery at a relatively high level of production.

Soviet Block Rejects American And French Amendments For Free Navigation

BELGRADE, Aug. 10.—(INS)—The Soviet bloc rejected today American and French amendments aimed at obtaining free navigation on the Danube.

It was a major setback for the western powers at the Belgrade conference, but one that had been expected.

The French amendment to the Soviet draft of a new treaty provided for participation of the western powers in a Danube control commission. It was defeated seven to three . . . the Russian bloc against the United States, Britain and France.

Others Rejected

A similar vote struck down two American amendments submitted by U. S. Ambassador Cavendish Cannon.

The first provided that navigation should accord with the interests of all nations and with due regard for the sovereign rights of Danube states.

The second said Danube navigation should accord with the United Nations charter.

Andrei Vishinsky, the Soviet delegate, said Cannon's reference to sovereign rights of the Danube states was a "step forward" because such language had not been included in the original American

PREFERENCE

That Cadillac should long since have been preferred above all other motor cars is only natural—for only Cadillac has devoted itself exclusively to fine car production for more than 45 years.

But the preference for today's great new line of Cadillacs is extraordinary—even for Cadillac. Literally thousands who have previously been content with lesser cars are deciding to end all compromise and own the "Standard of the World."

Two things are largely responsible for this remarkable upsurge in Cadillac's popularity. First is the car's unique and original beauty—and, second, is its incomparably finer performance. Truly, here is the car of cars—any way you look at it.

REGISTRATION STILL SLOW

In the week just passed there
were but seventy voters registered
in the Bureau of Permanent Reg-
istration. Of this number 35 are Re-
publican and 25 Democratic. Five
are Prohibition and 2 are No Party.
The total vote registered now is
39,241 of which 22,271 are Repub-
lican and 10,607 Democrat.There are just 27 days left in
which to register. Assuming there
are 8,000 unregistered voters in
the county, this would mean an
average of about 300 per day if the
8,000 were registered. From the
lethargy shown in the past months,
there won't be one third of the

mother to do likewise every time
that child stubbornly sat down.As the mother left for her bus
I followed at a distance and ob-
served that the youngster did not
squat once. The mother walked
very, very slowly. At several
meetings of the class later the
mother reported her progress. Not
once had the sit down stunt been
repeated. From that time to this
I have seen a number of tots on a
sit down strike cured with one
or two treatments. However, a
good many mothers trying this
cure will wait till they and the
child get all wrought up, when
the mother is unfit to smile and the
child unready to profit from the
smacking.Yet this is the only situation I
can think of in which I would
advise spanking to get a child so
young to do what you want him or
her to do. Indeed, the chances are
that this tot connected the pain
with his rising to his feet. Assuming
this to be true, the principle
still is sound: Make pleasant what
you want the young child to do
and painful only the few things he
must never do (in case there can
be no exceptions). This principle
I expound at length in my two
bulletins, "Stubbornness" and
"How Teach Tot Meaning of 'No'"

JOBS UPON A TIME

After finishing school, Edward
Hastings (Senator) Ford, creator
and star on radio's "Can You Top
This?" began his writing career by
cartooning before clubs and ban-
quets, but found his witty com-
ments more popular than his draw-
ings. He entered vaudeville and
played from coast to coast. He got
the idea for his radio show when
he was swapping stories with
friends at the Lambs club, and sold
it to the network. Ford got the
name "Senator" when he ap-
peared at a banquet with five real
senators.Irene Beasley began a profes-
sional career after her graduation
from college as a teacher in Mis-
sissippi and Tennessee. During vaca-
tions Irene sold records in a
phonograph shop and sang the
songs in a five-and-ten. One day
she wrote a song of her own which
her father published. Next she
found a piano player who prom-
ised to plug the melody if she
would sing it, which she did. Irene
launched her radio career in
Memphis in 1938, then spent a
year in theaters, studios and night
clubs. On the radio Irene conducts a
quiz between popular tunes on her
five-a-week program.

CUT AND DRILL

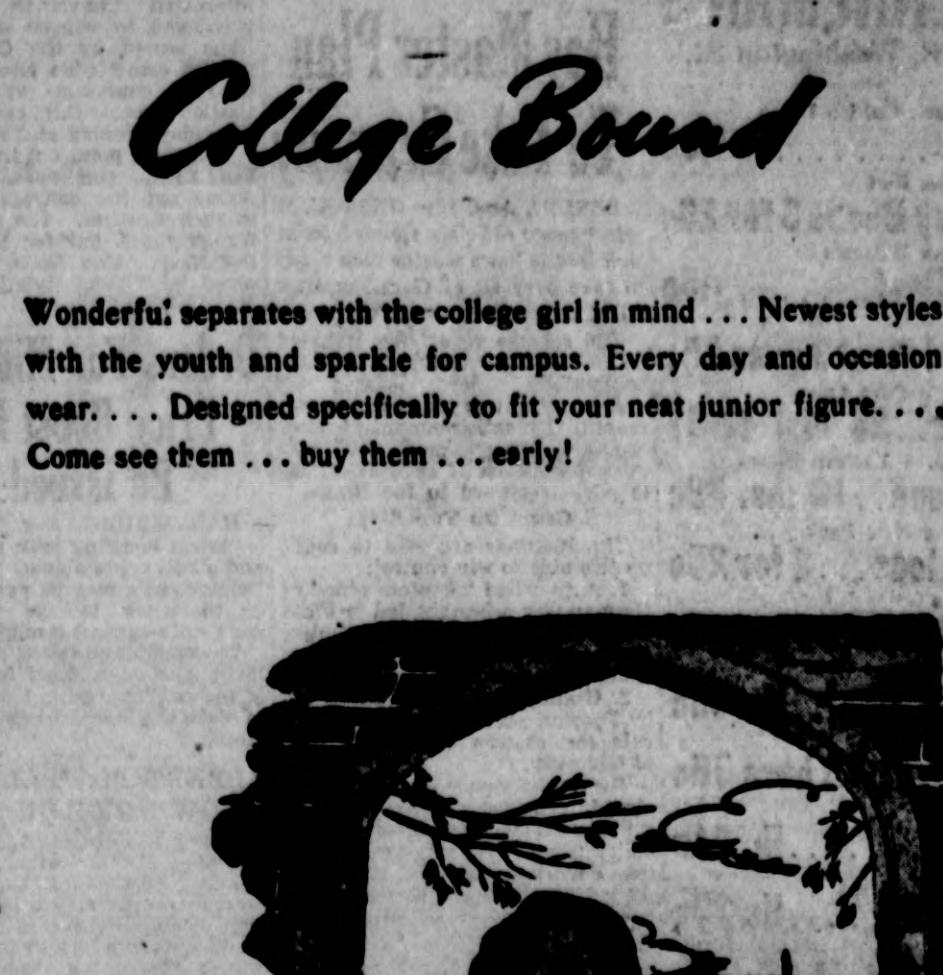

If Dick had a choice between
the barber or the dentist he would
probably choose a hair cut.Sometimes in days of high prices
it is a choice between two hair
cuts or a visit to the dentist.Dick likes to look nice. He thinks
that the girls are entitled to good
cosmetics.It would probably be better if
he had that little cavity filled."Great oaks from little acorns

Claim Russia
Has Master Plan
To Take Germany

BERLIN, Aug. 10.—(INS)—U. S. intelligence officials claimed today that Russia has a master plan ready to take over all of Germany after allied occupation armies withdraw.

The scheme reportedly is based on a gigantic communist "fifth column".

A warning was given by one of that if anti-communist parties are not strengthened civil war might break out if the Soviets try to push westward to the Rhine.

Count On Two Alas

The Russians are said to count on two aids to win control:

1. A so-called "phantom army" of German war prisoners, led by Field Marshal Friedrich von Paulus, commander of the Nazi sixth army which was defeated at Stalingrad.

2. German communist police led by Russian secret agents who now rule the eastern occupation zone of Germany.

The Soviet plan is likened to that already reportedly in Korea where a Soviet-trained Korean army and police force reportedly awaits only the departure of the American army from southern Korea before moving to take over all of the island.

Astrologers Enter
Fight On Fakers

CHICAGO, Aug. 10.—(INS)—The American Federation of Astrologers, in session in Chicago today, is putting on a drive against fakers who tell fortunes and otherwise bring astrology in disrepute.

Ernest A. Grant of Washington, D. C., executive secretary of the federation, explained that astrology can save a marriage if it's worth saving and plot the course of an investment if the stars are studied by a thorough, intelligent astrologer.

Grant said the federation wants some college to start a 10-year research project on the methods and results of astrology—to keep out the fakers.

CIVIL AERONAUTICS
FILM TO BE SHOWN

Ground school crews and other interested individuals will be privileged to witness outstanding films issued by the Civil Aeronautics Commission concerning weather conditions at the New Castle airport this evening and Thursday evening at 8:30 o'clock.

The films point out the cause of bad flying conditions and also points out the dangers in flying in such weather. The series was formerly put out for the use of the Navy. The films are sponsored by Wilson Aviation at the

ROTCONE CONTROLS MANY GARDEN BUGS

Rotcone (dust or spray) applied
once a week will control many of
the more common injurious garden
insects, such as caterpillars on
cabbage, broccoli, cauliflower and
lettuce; aphids on turnips; striped
and spotted cucumber beetles on
melon and squash; European corn
borer on sweet corn; as well as
melon and squash, cantaloupe, and
cucumbers.

Nicotine or pyrethrum prepara-
tions may be used for leaf-hoppers,
some aphids, and bugs not killed
by rotcone.

Rotcone can be used with safety
on all garden crops, and in
amounts sufficient to kill insects, it
is not poisonous to humans, birds,
and animals. Rotcone for dusting
should have an active ingredient
content of .75 per cent or better.
The powdered product for use in
a spray mixture should contain a
4 or 5 percent rotcone.

The Maryland yellowthroat
sometimes builds its nest in the
throat of the skunk cabbage.

DETAILS OF HOME WEDDING

"My daughter will soon marry, the ceremony to take place at our home. My husband will give the bride away. I plan to stand near the door to receive the guests. Should I stand alone or with my husband and other daughter, or should my husband not put in an appearance until the ceremony? The groom's parents live out of town, so they will stay at my house for a few days before the wedding. What honors should be shown them? Should his parents help to receive or are they merely guests? At the reception, we will have only one large table for the bridal party and the guests, including the bride's two sisters, brothers, two aunts, two bridesmaids, maid-of-honor, groom's family of four, minister and his wife and two or three close friends. How should they be seated?"

Answer: You should stand near the door to greet incoming guests, who should arrive well in advance of the hour set for the ceremony. Your husband, your other daughter or the groom's mother may stand with you. It doesn't make much difference as long as some member of the family is there to meet the guests.

The receiving line after the ceremony usually consists of the bride, the groom, maid-of-honor and bridesmaids and grooms' mothers. The two fathers may circulate among the guests.

Treat the groom's parents as you would other guests in your home, inviting them to all parties given for the bridal party.

Seating at the wedding reception: At one end of the table should be the bride seated to the groom's right. To her right seat the best man. To the groom's left seat the maid-of-honor. To his left, an usher. To his left a bridesmaid. On the opposite side, to the right of the best man, seat the other bridesmaid with the other usher to her right. At the far end of the table, opposite the bride and groom, place the bride's father with the groom's mother to his right. To her right, seat the clergyman, to his right, the bride's mother, with the groom's father on her other side. The clergyman's wife is seated opposite his husband—to the left of the bride's father. Toward the center of the table, seat other relatives and friends of lesser importance.

Seating at the wedding reception: At one end of the table should be the bride seated to the groom's right. To her right seat the best man. To the groom's left seat the maid-of-honor. To his left, an usher. To his left a bridesmaid. On the opposite side, to the right of the best man, seat the other bridesmaid with the other usher to her right. At the far end of the table, opposite the bride and groom, place the bride's father with the groom's mother to his right. To her right, seat the clergyman, to his right, the bride's mother, with the groom's father on her other side. The clergyman's wife is seated opposite his husband—to the left of the bride's father. Toward the center of the table, seat other relatives and friends of lesser importance.

JULY BUILDING
COST 2422,865
Construction launched during July month is estimated to cost when completed, 2422,865, according to city bureau of building statistics. Of this amount, \$375,000 is for the new city building. Five new homes cost \$38,000. Other structures brought the total estimated outlay to \$422,865.

Construction has slowed on the new city building, due to the scarcity of steel. However, steel is expected here toward the end of the month.

Disadvantages Of
Canal Discussed

Some Of Reasons Against
Lake Erie Canal Are Ex-
plained To Rotarians

H. B. RICHARDS
SPEAKS TO CLUB

In a talk before the New Castle Rotary club at their meeting Monday noon, Howard B. Richards, former superintendent of the City of New Castle Water company, told some of the reasons why the Ohio River to Lake Erie canal should not be built.

Mr. Richards compared the cost of the undertaking to that of some of the other inland waterways of the country. In comparison, the 100-mile stretch, he stated would cost three times as much as the Ohio river system. More dirt would have to be moved than was in the building of the Panama, and being a government project, it would most likely be piled up along the banks, he stated.

Most of the commerce which would move over the river would be the products going to blast furnaces, namely, coal, iron ore, and limestone, he explained.

Principal Proponent

As far as he has been able to learn, Mr. Richards said that he has not heard of any industry along the Monongahela or Ohio rivers expressing a need for the canal, its principal proponents being the Youngstown steel mills.

Referring to the lake which is expected to be created as a feeder for the water supply of the canal, he stated, that in his opinion, the composition of the ground underneath the proposed basin will not hold water, and that it would seep away.

He compared it to the Pymatuning dam, which was created to conserve the water supply of the valley and to prevent floods. He stated that the ground for this was purchased entirely by the citizens of Pennsylvania, and Pennsylvania paid for its construction.

He stated that the expected tonnage which would be hauled over the canal would likely be far less than army engineers estimate, comparing the estimates which had been made in favor of the construction of other waterways, and the actual tonnage hauled after these waterways were completed.

Locally, the citizens of New Castle would have to provide \$364,000 for the rebuilding of the local sewage disposal plant, he stated in conclusion.

Meet 'Miss Texas'

The Lone Star State will be represented at the Atlantic City beauty pageant by Bonnie Bland (above). Named "Miss Texas," the pretty senior at the University of Texas is the daughter of Mr. and Mrs. Henry Bland of Orange. (International)

Women May Enlist
In Regular Navy
Starting September

Total Of 6,000 Will Be Taken In
By June, 1950, Announce-
ment States

Plans for the enlistment of women in the regular navy, beginning about September 15, 1948, and for the subsequent appointment of the first regular navy women officers, were announced by the Bureau of Naval Personnel today, the sixth anniversary of the Women's Reserve of the Navy.

A total of 6,000 women will be enlisted by June, 1950 under provisions of the Women's Armed Services Integration Act of 1948. Of the total, 4,500 will be enlisted prior to June 30, 1949, and the remaining 1,500 during the fiscal year 1950.

The 6,000 total will include the enlisted members of the Women's Reserve now on active duty who take advantage of the previously announced procedure of transferring to the regular navy prior to August 31, 1948. A total of 1,230 enlisted Waves were on active duty on July 1.

Women who are 20 but under 31 years of age, high school graduates, citizens of the United States or natives of an insular possession are eligible for enlistment provided they meet physical and mental qualification tests. New recruits without prior naval service must be unmarried at the time of enlistment.

Waves and ex-Waves who are over 31 years of age are eligible for enlistment if subtraction of their number of years of active naval service from their present age brings their service age under 31.

The term of enlistment will be for three, four or six years at the option of the candidate.

Army Private Being
Tried For Slaying

YOKOHAMA, Aug. 10.—(INS)—Pvt. William Manis, 20, of Church Hill, Tenn., pleaded innocent Monday at the opening of his trial on a charge of murdering Capt. John Ryan, Catholic chaplain of Tokyos Sugamo prison.

The soldier is being tried before a nine-man U. S. Army court martial in Yokohama, with death or life imprisonment mandatory in the event of conviction.

Manis is charged with fatally shooting Fr. Ryan last April 5th.

The slaying allegedly occurred while the chaplain was trying to dissuade Manis from associating with a Japanese girl.

Truman's Special Railway Car Is Being Renovated

Being Put In Shape For Coming
Campaign Tour Of
President

WASHINGTON, Aug. 10.—(INS)—President Truman's special railway car, the Ferdinand Magellan, is being renovated in preparation for the coming presidential election campaign.

The White House said today that the car, a bullet-proof Pullman built by the American Association of Railroads for the late President Roosevelt, is undergoing a "routine checkup" at the naval gun factory.

President Secretary Charles G. Ross explained that such checkups are made from time to time. The current checkup follows the president's 7,500 miles transcontinental train trip two months ago.

Ross said that the air conditioning system in the car is being gone over and a coal stove in the galley is being replaced by an oil burner.

He denied that structural changes are being made on the rear platform from which the president speaks.

Announcement For Ben Franklin High Prospective Pupils

Gerald E. Nord, principal of the Ben Franklin Junior High school, makes the following announcement:

New students for Ben Franklin Junior High school may register at the school office any day between 9 a. m. and 4 p. m., after August 15.

Pupils coming to Franklin from township schools for the first time, or from city parochial schools, or from schools outside the New Castle district, should register.

Seventh grade pupils coming from city elementary schools need not register. They are enrolled already.

Woman May Become President Some Day Truman Tells Girls

WASHINGTON, Aug. 10.—(INS)—President Truman told a group of teen-age girls Monday that some day there may be a woman president in the White House.

The president met about 100 teen-agers who are in Washington as members of a "girl nation" organization studying government, in the White House rose garden.

Mr. Truman remarked that one of the young ladies had asked him if he ever thought there would be a woman president. He said:

"That is a very great probability sometime in the future so prepare yourselves."

GRANDMA PUTTY & HER HOME-MADE ANTI-INFLATION UMBRELLA

Around Hollywood

By RUTH BRIGGS
(International News Service Staff Correspondent)

HOLLYWOOD, Aug. 10.—(INS)—Paging Diogenes! Found: An honest gal.

She's Nancy Olson, pretty Swedish miss from Milwaukee who has been signed for the female lead with Randolph Scott in "Canadian Pacific."

Asked why she wanted to become an actress, the 20-year-old UCLA student replied:

"When I was in the seventh grade we used to have school dances—penny dances, they were. None of the boys would ask me to dance, especially the eighth grade boys."

Made the Grade

"But then, one day I was in the school play. I had the lead. And I did pretty well, I guess, for after all the boys asked me to dance. I had suddenly become somebody."

"If acting could do that, then it was acting for me from then on."

Nancy, a slick-looking ash blonde, goes into the Nat Holden production, which is being filmed in Canada, with no professional background, but with an awful lot of charm and talent. She's majoring in dramatic theater at UCLA.

MUSICAL PRESIDENTS

Only four of our presidents had musical ability, and each of the four has been portrayed in the movies with their musical medium.

They were Truman at the piano, Thomas Jefferson at the violin, Warren G. Harding and his horn, and James Tyler singing to his own accompaniment.

If Dewey goes to the White House, we'll add another singer. But it's doubtful if he'll ever be heard except as he raises his voice with the congregation in church.

Twice as Much as Twenty Years Ago

Through the years our rates have gone steadily downward. In 1927 the average price for residential service was 5.93¢ per kilowatt hour while in 1947 the average price was 2.95¢. That means the average family is getting TWICE as much electricity for its money as it did twenty years ago.

Electric use has gone up, too! Our average residential customer is using over three times as many kilowatt hours as he did in 1927. This ever-increasing use of electricity plus efficient utilization of power facilities . . . ability to secure new money for construction on favorable terms . . . and the recent completion of the new generating unit at the New Castle power plant are all factors that make it possible for your Power company to bring you convenient, dependable electric service at a price that is the lowest in history.

When Coaches Gather They Talk--Football!

SLIPPERY ROCK. Aug. 10.—Monday was hot and the burning sun made one think of baseball, swimming or any other summer sport.

But on the beautiful campus of the teachers' college here, young and old coaches stood in clusters and with bright eyes and lively gestures, talked—yes, football!

The grid tutors who will handle the respective East and West high school all-stars in the big game at Taggart field Friday night were embarking on their four-day clinic which will culminate in an actual clash of their charges under the lights in New Castle.

The conversation was generously sprinkled with chatter of brush-blocks, power of the single wing, running guards, the deftness of the "T" and other terms peculiar to the autumn mayhem.

Gilligan On Hand

We talked to Sid Gilligan, the newly appointed line coach of the Army, who will handle the East team. A cheery brewer of a fellow, who looks like he could still go 50 yards in a game, Sid is a guy who likes his "T" formation and was carrying on a good-natured banter with Johnny Tatum, back-field coach of the Academy. Tatum was one of the young backs of the decade during the golden "Buck and Bull" era of 1944-45.

"You can tell the folks in New Castle that Lou Zeigler and Gene Gribble are fitting into our plans very well," said Gilligan. "and I mean that altogether from a football angle. They're both splendid boys and are going to make excellent soldiers."

Sid liked Zeigler's weight and speed, appreciating him as a future varsity linebacker under his wing.

"And this," Gilligan said, "will prove to be my boy."

Both the New Castle Cadets were the most渴望 to join the team line-up, the winning

winning place in 1946.

The high school gradation, some 50 strong, and a terrific array of grid talent on the hoof, seemed destined to be picked for the clinic and a rivalry between the two squads is already evident.

To Boston News

Today the lads will buckle down to earnest work and the influx of visiting coaches is expected—some 150 from all over Pennsylvania. The ex-high stars will work as "coaching aids" for the clinic directors until Friday afternoon when

First Place In Sprint
Relay

LONDON, Aug. 10.—(INS)—An international Olympic jury today upheld the United States protest against disqualification of the winning American 400 meter sprint relay.

The seven-man jury reversed the ruling of the field judges and gave the Americans first place in last Saturday's disputed event.

Britain, which had finished second but became the official winner after the American quartet's disqualification, reverted to second place.

Italy thus fell back from second to third place.

The ruling of the judges was based on the allegation that the American leadoff man passed the baton to the number two runner beyond the zone established for exchanges.

The Olympic jury reversed the judges after viewing the official films of the games.

Cardinals, Tribe Gain Ground

By LES CONKLIN

NEW YORK, Aug. 10.—(INS)—

The St. Louis Cardinals, who are

in no mood for nonsense, are laying

off jinxes like St. George, bumped

off the dragon, David kayed Go-

lith and Grant took Richmond.

Ken Raffensberger, veteran Cin-

cinnati southpaw, who twice had

hurled a one-hitter against the

Cards earlier this season, got his

lumps last night. St. Louis scored

four runs in the first inning and

breezed to a 6 to 2 victory, their

eighth in their last nine starts.

The Cardinals advanced to within

3 1/2 games of the idle Boston

Braves, the National league pace

setters, but still are only half a

game in front of the third-place

Dodgers.

Brooklyn made only four hits

against the Phillies but won 2 to 1

thanks to two rookies who paid

off on the club's policy of raiding

its farm outfits for promising

talent.

Duke Snider, recalled from Mon-

treal, knocked in Brooklyn's first

run and scored the second one

with a beautiful slide home after

hitting a double and reaching third

on an infield out.

Erskine Wins

Carl Erskine, up from Fort

Monroe, led the Phils to five hits

and was never in trouble after Del

Kuhn hit a homer.

Erskine has shown the poise of

a veteran in his unbroken career

as a big leaguer. Like the gal who

went to Reno for a divorce every

time she tied for a new hubby, he

has been cool, calm and collected

in all four starts.

Eddie Robinson's three-run

homer, his fourth circuit clout in

two days, and the seven-hit pitching

of Gene Bearden gave Cleve-

land a 6 to 2 victory over the

Tigers. The win put the Indians a

half game ahead of the idle second

place Philadelphia Athletics.

A record night crowd of 56,586

fans saw the game at Briggs Sta-

dium in Detroit.

The St. Louis Browns outscored

the Chicago White Sox, 8 to 6, in

a fourth night game.

Other teams were not scheduled.

DONKEY BASEBALL

the Pagelys and the Leepers tangle

in a hilarious game of baseball-

pounding astride the backs of don-

keys.

For those fans who like the un-

usual in sports be on hand to see

this fine attraction. You won't

wear a grouch long after watching

the antics of the solid citizens of

Edenburg battle each other on

these unpredictable animals.

Proceeds of the game will be

HERE AND THERE
IN SPORTS' LAND

TONIGHT at P. J. Flaherty field the City Baseball league All-Stars will play the Indianapolis Clowns and indications point to a capacity crowd. . . . Another big baseball event is on the way here—Boosters Inc. August 25, when the New Castle Chiefs oppose Erie. With tickets selling for only one dollar, and the purpose behind the promotion, indications point to a crowded field. Several evenings ago a group of men met at the sheriff's office. The group consisted of Willie Do Carbo, County Commissioner Joseph Brown, Sheriff Frank Coen, Nick Novara, Arthur Mittler, Paty Conti, Kild Maritime, Arthur Piroli, Phillip Perrett, Carm Sacco, and a few others whose names not now recalled. They agreed that the Chiefs now have a fair ball team, and are anxious to build a stronger aggregation. They plan the Boosters event to show the management that the fans are behind the team, and want the club to continue next year in the Mid-Atlantic, hence ball fans can expect to be paged to attend August 25. It is a worthwhile movement. . . . Safety Director Dick Davis, Fire Chief Norm Steinbrink, Frank Vitto, John Israet, Fireman Perry McFarland, Chuck and Jack Robinson and Henry Hamilton have returned from a fishing trip to Beverly Lake, Delta, Ont. Their luck was not good. They report that the lake was "working." And of the seven days they were there the weather was rough which also made fishing bad. . . . Judging from their success in a Windsor, Ont., ring, Bill Bradley and Leo Leasure will have further bookings there, and some in Detroit. Both won knockouts recently. . . . About 800 fans attended the Cleveland-Yankees game at Cleveland, Sunday. The excursion was sponsored by the Wolves club, and was a notable success. They have nothing but praise for Manager Boudreau who went in as a pinch-hitter and came through. . . . Walter and Jim Patterson, the former of Erie, have returned from a Canadian fishing trip. Their catch was good.

Heavy rain of last week swelled the Slippery Rock creek. The water was very dirty Sunday. . . . Ike Bell of Youngstown and Sam Santafante of Struthers, have commenced training for their main bout August 19, at P. J. Flaherty field. Bell won a disputed award over Santafante at Warren, O., hence a return bout here. Santafante will outweigh Bell about 20 pounds. He is a tough, rugged, aggressive fighter. Bell is clever and a fairly good puncher. . . . Billy Pozza, the popular Ellwood City heavyweight, has been released from the Jameson Memorial hospital where he recently underwent a tonsil operation. Billy has been inactive this summer because of a broken hand and a tonsil ailment, but expects to get along as soon as he fully recovers from the operation. . . . Chief of Police Robert D. Hanna and Dave Axe, local businessman, are fishing in Canada. During Hanna's absence, Police Captain Willis McMullen, an ardent fisherman, is acting as chief of police. . . . Jack Thompson, another fisherman, who is a plainclothesman in the city department of police, is on duty again after a vacation. . . . Cecil Sauer and Bill Carilla report a good catch at North Bay. However, despite his Canadian trip, Cecil "goes for" Hidden Lake, near Camp Perry. . . . "Don't be long until hunters can legally run their dogs. . . . Very few have been taken from the Slippery Rock at Rambler's Rest this season. No hams were stocked there. Instead trout were put into the stream. . . . The "King of Bucks" which escaped a bullet in 1947, was seen Friday evening at Harlanburg. Jim Hodge, the outdoorsman, saw the big fellow. However, he was too far distant to count his points. Two other bucks were seen the same night. Another, or one of the three, was found to have "bedded down" on a farm. Last year Gaylord Stoughton of that place passed up a chance to go to Kano instead, he stayed at home and bagged a buck on a neighbor's farm.

CAMDEN, N. J., Aug. 10. — (INS) — Jersey Joe Walcott is willing to fight the winner of the September 19 bout between Exzard Charles and Jimmy Bivins in Washington. If the world's heavyweight championship will be at stake.

The announcement was made yesterday following a conference between Felix Bocchicchio, Walcott's manager, and Gabe Menendez, Washington matchmaker.

SYLVAN HEIGHTS
GOLFERS TO PLAY

Sylvan Heights golfers will be at it again Wednesday evening in the regularly-scheduled matches, with a tight race developing in the second half. The Dukes will draw a bye for Wednesday night, and will not be in league action.

SOFTBALL RESULTS

Tempys handed Roger Maggie his "jumps" last night as the Tempys belted out 14 hits for a 10 to 7 win over the Dukes, the first half champs. It was sweet revenge for Tempys who had previously lost to Maggie. The win put the Tempys but a half-game back of the league leading Dukes. Johnny Vargo was the winning pitcher, fanning nine batters and giving four hits. Other

softball results last night: Local 1284 defeated the Pearsons 10 to 4, and the Shadydale Tigers bested the Friendly Furnitures 8 to 7. Last Thursday the Tigers defeated the Pearsons 6-5.

Zelienople Horse
Show Opens Friday

The second annual Zelienople horse show will be opened on Friday evening, August 20. On Saturday and Sunday, August 21 and 22, there will be an afternoon and evening performance. The Harmony volunteer firemen are sponsoring the show and have added many features to it.

The show will be held at the Herford Manor Farms 1 1/2 miles west of Zelienople among the beautiful hills of western Pennsylvania on state route 288. "Uncle" Bob Cunningham and his son Jim own and operate these farms where are bred and raised some of the best walking horses to show in the United States.

There will be a \$5,500 prize list offered to the 60 classes which will show. The best of horse lovers in the tri-state area will be on hand to compete and show their skill along the tankard ring. There will be five championship stake classes at the Sunday evening performance. These include a \$500 stake for three-gaited, five-gaited and the walking horse classes. The jumper class will be a \$400 stake.

Tenpin Bowlers
Meet Wednesday

All Tenpin Bowlers in City Eligible For New Castle Bowling Association Membership

An important meeting of all tenpin bowlers in the city will take place at the Eagles club Wednesday evening at 7:30 o'clock, as a means of reviving the New Castle Tenpin Bowling Association. The meeting has been called by Acting Secretary Lenny Krueger.

The following organizations will send representatives: Elks, Eagles, Moose, Slovaks, United Engineering, City league, Industrial league and Johnson Bronze. Also any others who are interested in tenpin bowling. Providing enough interest is shown there will be an election of permanent officers, Krueger stated.

New Castle should have a strong ABC rating here with countless hundreds of fine tenpin bowlers.

STEELERS INCREASE TEMPO
CAMBRIDGE SPRINGS, Pa., Aug. 10. — (INS) — Head Coach Johnny Michelosen sent his Pittsburgh Steelers into their second week of training today with 13 men still to be chopped from the squad.

At present, there are 48 men in the Steeler camp. National Football rules limit each team to 55 players.

Bobby Riggs whipped Don Budge in 1946 to win the world's pro tennis title.

Volant Defeats
Brookers, 12-6

Volant, kindred of the North County league, made 15 hits ring the bell for 12 runs last night, defeating East Brook 12-6. This made it No. 29 for Volant.

Bill (Pewee) Young was on the mound all the way for Volant, this being his sixth win of the season. Tharp was the losing hurler.

The next scheduled game is with Pultaski on Wednesday night, Aug. 11, at the Volant field.
